# Emergency Procedures

WARDENS WEB SAMPLE

# ***Workplace emergency procedures***

- **Section 43 of the Work Health & Safety Regulations 2012 states.**
- **(1) A person conducting a business or undertaking at a workplace must ensure that an emergency plan is prepared for the workplace, that provides for the following:**
  - **(a) emergency procedures, including –**
    - (i) an effective response to an emergency; and**
    - (ii) evacuation procedures; and**
    - (iii) notifying emergency service organisations at the earliest opportunity; and**
    - (iv) medical treatment and assistance; and**
    - (v) effective communication between the person authorised by the person conducting the business or undertaking to coordinate the emergency response and all persons at the workplace;**
  - **(b) testing of the emergency procedures, including the frequency of testing;**
  - **(c) information, training and instruction to relevant workers in relation to implementing the emergency procedures.**

# ***Workplace emergency procedures***

**The workplace emergency response procedures provide guidelines developed to help maintain personnel safety while in the workplace.**

**They assist in the response to emergencies encountered in the workplace, and assist in the controlled movement of people from the emergency within a building to a place of safety.**

**It is important that you are familiar with the workplace emergency procedures.**

# ***What is an Emergency***

WARDENS WEB SAMPLE

# ***Common types of Emergencies***

**Animal or livestock emergencies**

**Bomb threat**

**Armed invasion**

**Civil disorder**

**Cyclones, including storm surge**

**Earthquake**

**Fire**

**Hazardous substances incidents**

**Industrial accident**

**Medical emergency**

**Structural instability**

**Transport accident**

**Veterinary emergencies**

**Biohazard**

**Building invasion**

**Chemical, biological and  
radiological incidents**

**Criminal acts**

**Deliberate self-harm**

**Failure of utilities**

**Flood**

**Hostage situations**

**Letter bomb**

**Severe weather and storm  
damage**

**Terrorism**

**Toxic emission**

**Wildfire**
